Custom Line Navetta 33 «SK»

ABOUT

SK is an elegant Custom Line Navetta 33 combining timeless Italian design, spacious interiors and refined comfort. Her main-deck master suite, panoramic sundeck with Jacuzzi and inviting beach club create an exceptional setting for life at sea.

Delivered in 2019 by Custom Line, part of the renowned Ferretti Group, this 33-metre yacht accommodates up to 10 guests in five beautifully appointed cabins, including a full-beam master suite, three double cabins and a twin cabin. Separate accommodation for six crew ensures privacy and attentive service.

Generous outdoor spaces offer ample room for alfresco dining, sunbathing and relaxation, while the beach club provides easy access to the sea.

Powered by twin MAN V12 engines, SK cruises at 12 knots and reaches a maximum speed of 15 knots. Her semi-displacement design makes her ideally suited to relaxed Mediterranean cruising.

SK offers an attractive opportunity to acquire a distinguished Custom Line Navetta 33 with generous accommodation and enduring Italian appeal.
