Azimut 47 Fly «SKYFALL»

ABOUT

SKYFALL is a well-presented Azimut 47 Fly, combining timeless Italian design, excellent proportions and strong performance. Built in 2009, she offers the distinctive styling and intelligent use of space for which Azimut is renowned.

Her interior features three cabins, two bathrooms and a spacious salon, complemented by a practical galley and air conditioning throughout. Generous windows create a bright and welcoming interior, while quality materials and a functional layout provide a comfortable onboard environment.

The exterior offers impressive space for a yacht of this size. The large flybridge features a dining area, sunbed, wet bar, refrigerator and BBQ, complemented by an aft cockpit, teak bathing platform and additional sunbathing area on the bow.

Powered by twin CAT C9 engines with 575 HP each, SKYFALL reaches a maximum speed of 32 knots. She is further equipped with a Yachtcontroller, bow thruster, generator and comprehensive Raymarine navigation equipment.
