Azimut Magellano 53 «SUMBA»

ABOUT

SUMBU is an elegant Azimut Magellano 53 motor yacht, delivered in 2021 by the renowned Italian shipyard Azimut Yachts. Combining timeless Italian design, refined interiors and excellent cruising comfort, she offers an exceptional yachting experience.

Powered by twin Cummins QSC 8.3 engines, each producing 500 HP, SUMBU is designed to deliver smooth, comfortable and efficient cruising.

Her thoughtfully designed accommodation comprises three guest cabins, comfortably accommodating up to six guests, along with a separate crew cabin for one crew member.

The yacht features spacious outdoor living areas, including a welcoming aft cockpit, a well-appointed flybridge with comfortable seating and a swimming platform, providing ideal spaces for relaxation and entertaining.

Inside, SUMBU offers a sophisticated yet inviting atmosphere, featuring elegant walnut finishes, a comfortable salon and a well-equipped galley. Every detail has been carefully considered to create a harmonious balance between style, comfort and functionality.

With her distinctive design, versatile layout and impressive cruising capabilities, SUMBU represents an excellent opportunity for discerning owners seeking a luxurious and comfortable motor yacht for unforgettable experiences at sea.
