AB YACHTS

AB 80

HULL 190

LEAD WITH ATTITUDE

The AB 80 expresses pure performance through sculpted lines, lightweight construction, and exceptional responsiveness.

Compact in length yet bold in personality, it delivers the unmistakable feeling of flying above the water.

Designed for owners who want speed, precision, and a contemporary, architectural aesthetic.

- Waterjet propulsion delivering 55+ knots with smooth, controlled handling.
- Lightweight composite construction for agility and reduced consumption.
- Large aft area with fold-down platforms for expanded waterfront living.
- Custom interiors with signature AB openings for natural light and ventilation.
