AB Yachtis «AB 80»

ABOUT

The AB 80 is a striking blend of cutting-edge performance and refined Italian craftsmanship, built by AB Yachts (Next Yacht Group). With an overall length of 25.40 meters, this sleek motor yacht delivers exhilarating speeds of up to 54 knots, powered by triple MAN V12 engines and advanced waterjet propulsion.

Designed for both comfort and style, the yacht accommodates up to 8 guests across 4 beautifully appointed cabins, including a full-beam owner's suite, a VIP cabin, and two twin guest cabins. A dedicated crew area ensures seamless onboard service and privacy.

The AB 80 features a spacious and modern interior complemented by high-end finishes and premium entertainment systems throughout. Outdoor areas are designed for relaxation and socializing, with generous deck spaces, sunbathing areas, and a seamless connection to the sea.

Equipped with state-of-the-art navigation systems, advanced stabilization technology, and tropical air conditioning, this yacht offers exceptional performance, safety, and comfort in all conditions.
The AB 80 is the perfect choice for owners seeking a fast, stylish, and luxurious yacht with uncompromising performance.
